or scan the QR code →

Instructions:

1. Cut out the page strips.
2. Fold the first starry page inwards along the grey line.
3. Fold the next page the opposite way, so your folds make a zig zag along the page strip.
4. Glue the covers onto thin card and neatly cut them out.
5. Fold the covers along the two pink lines. of the spine.
6. Glue the two blank sides of the starry end papers into the covers.
